

Animal Center for Emergency and Specialty

Loving care for your pet, when you need it

Madison's first urgent care veterinary clinic

With flexible scheduling daily from 5 p.m. to 2 a.m., we're here to treat non-life threatening issues when your primary vet is closed.

Urgent care

- Ultrasound
- X-ray
- Diagnostic labs
- End-of-life care
- Surgery for stable patients
- Foreign object removal
- Emergency referrals

Overflow primary care

- Postoperative monitoring
- Ultrasound
- Echocardiography
- Overflow surgeries

Cancer Care

(Mon.–Thurs. 8 a.m.–5 p.m.)

- Diagnosis and staging
- Chemotherapy
- Pain control
- Quality of life management
- Bone marrow aspirates
- Multimodal therapy
- Immunotherapy
